THE ADVENTURES OF
TINTIN
OF
BLACK GOLD

الذهب الأسود

MAGNET

LAND OF BLACK GOLD

الذهب الأسود

Next morning...

"Crisis deepens - official"
"On the brink of war?"
"Are we prepared?" ...
"Call-up for army re-
serve" ... "forces on
standby". Things
look bright, I must say.

Yes... Tintin
here... Oh, hello
Captain... How
are you?... Any
news?

I've just had Admiralty orders:
"Captain Haddock. Immediate.
Proceed to assume command
of merchant vessel blank
blank" (the name's secret,
of course) "at blank, where
you will receive further
orders." So that's that... I've
been mobilised! ... No,
there won't be time
to see you. I'm off
right away... I'll keep
in touch ...
'Bye, Tintin.

Goodbye, Captain,
and good luck.
Let's hope it's
only a false
alarm ...

Hello!

Good morning.
What news?

What news! Plenty! Something
very odd has just happened!

To be precise ... we just
happen to be very odd!

Really? Tell me
about it. Come
on in...

Well, we'd just filled up with
petrol and were driving
peacefully along, when all of
a sudden, without a word of
warning ... our car went ...

BOOM

It seems to be
catching!

It certainly is... That's exactly
what happened to us!

Yes. And that's
not all ...

A few minutes later my cigar-
ette lighter, filled at the same
pump, blew up in my hands ...

The petrol... it
must have
been...

...doctored, yes! ... That's
what suddenly occurred to
us... And if it was doctored,
it must have been done by
someone with an interest in
wrecked cars. Remember the
old police maxim: Who profits
from the crime?

Now, who stands to gain
from this business?... Who,
eh?... I'll tell you! ... the
breakdown people,
Autocart!

These papers were hidden in the radio officer's cabin, sergeant.

Let me see!

Aha! All very interesting... A shipment of arms to Sheik Bab El Ehr!

I assure you, sergeant, I...

Keep your hands off! ... We're police officers! We'll see you pay for this!

To be precise: you'll see we pay for this!

Heroin in their baggage, sir... And they're pretending to be police officers!

Indeed?

We were tricked, sergeant... An agent from Naval Intelligence gave us the package. He said it contained secret documents.

And where is this 'agent', eh?

He's here on board, sergeant... But he suddenly seems to have lost his wits...

Meaning that we can't question him, I suppose!... A neat little story... But it just happens that I am very far from losing MY wits!

What a fool I've been! ... Another false trail!

All right, get these three bright boys into the launch. They'll be interrogated ashore.

But...

I...

Who've you got there?

The two are just a couple of drug-smugglers, I think... But the young one has important documents to do with Bab El Ehr.

Excellent work! Our noble sheik will reward you when he comes to power! ... Go now!

Bab El Ehr must be informed!

That evening...

I have come from Khemikhal, noble master. There I received news: the emir's soldiers have arrested a young foreigner.

Well ?

One of the guards works for us. He said he'd found papers on the prisoner... papers referring to an important shipment of arms for you.

The young man shall escape and be brought here to me !

Next morning...

Come with me. You're going to the special security gaol. The secret police want you for questioning.

There they are, Moham-med! Put your foot down!

Over here!

Hurry!

Meanwhile...

We've checked your papers. They're in order. You can go.

Thank you. What about Tintin?

Your friend?... He was seized on his way here by Bab El Ehr's men.

Now we've got to find them... And that's a thankless job. They made the snatch, and vanished without trace. Still, there's a £5000 reward for anyone who leads us to the sheik's hideout.

Five thousand pounds! You needn't say that again!... By this time next week we'll bring you Bab El Ehr trussed like a turkey!

Very good! May Allah go with you!

Next morning...

Five thousand pounds reward!

Here is the young foreigner brought by your partisans, noble sheik.

Enter!

Greetings, and welcome, young stranger... Heaven will bless you for embracing our great cause... Now, when do the guns arrive?

What guns?

What guns? Our guns, our shipment of arms... You've brought news of their delivery: isn't that so?

Me?... Not me, most noble sheik!...

You lied to me, son of a mangy dog!

Oh, no! most powerful master... It was the guard who told me... I swear by Allah!

That's quite true, noble sheik. Some papers were found in my cabin... but they didn't belong to me... And I've no idea who put them there...

It's a trick... A miserable trick to discover my hideout... I suppose you think I'll let you go?... To run home and betray us to the police, those snivelling lap-dogs of Ben Kalish Ezab?... Never! You stay here with us. You are my prisoner!

Meanwhile...

Allah be praised!... See! The well of Bir Kegg!

Indeed!

Water!... At last!... I'm dying of thirst...

A thousand curses! The well is dry!

No water!... We must ride on!

The prisoner has fallen: he is finished!

Untie his hands: we will abandon him!

Wooah!... Wooah!... Murderers! Rotten sand-hoppers!

Aaah... That was marvellous!

Now, all we need is something to eat... I wonder ... Yes!

We're in luck! ... Those are date palms ... Let's see...

HUP!

What are you hoping for? A couple of pigeon pies?

Oh, Snowy! I'm so sorry!

It's getting dark... We'll have to spend the night here, tomorrow perhaps we'll be lucky enough to meet someone..

These things have certainly got bones, but I'd prefer a chop!

Time passes...

Brrr! It's freezing cold... If only I could get to sleep...

Ssh!... What's that noise?...

Horsemen!... Snowy, our luck's really in! We'll be rescued!

Hey, wait a minute... Horsemen? In the middle of the night? Perhaps we'd better stay hidden ...

They're all dismounting...

Ahmed, you guard the horses... You two come with me!

Where have I heard that voice...?

What's going on?

Get on with it... and hurry!

What can they be doing over by the pipeline?

They're running back ...
I wonder if ...

? BOOM

Great snakes!
They've blown
up the pipe-
line!

That voice! ...
I'm sure I
know that
voice!

On your horses! ... The
alarm will be raised!

Hello, what's that
one doing?

Now I can see ... He's
fixing a stirrup or
something ...
Dare I ... ?

Come on, Snowy! ... It's
all or nothing!

Heigh-ho!
Now what's he
after?

Where's Ahmed? ...
He isn't with us ...

Ah, he's coming ... Ride on!

Meanwhile...

Hello... hello...
pumping station
twelve reporting
total loss of pressure
...pipe must be
broken above this
station... Please
send a repair-gang
immediately...

I must be mad... This is crazy
... But it's too late now. I've
taken a chance and can't
turn back...

Hello... Hello... Pumping
station eleven...
... Number one con-
trol here... Close
all valves immedi-
ately... The pipe's frac-
tured between you
and number twelve
... A repair-gang
on the way

This is where we separate... It
will confuse any pursuers...
Ahmed will come with me...

Where in the world have I
heard that voice?

Whoa!

Hold my horse... Wait here
... I'll be back in a moment

What's it all about?... What's that gangster Müller doing here?... And why should he want to wreck the pipeline?... When he had me at his mercy, why didn't he kill me?... I just don't have any of the answers.

Hello... I can't be mistaken... Let's take a closer look...

They're wheelmarks, Snowy... This really is a bit of luck!

Splendid!... Perhaps we're on a bus route!...

Let's see... I'd say they were tyres on a jeep... The sand and pebbles were thrown back by the wheels, so it was travelling that way. We'll go in the same direction...

And we'll worry about our friend Müller later.

Meanwhile ...

I don't like it, Thomson ... If we don't get somewhere soon ...

It's all right!... Look!... There! ... Tracks of a car!

Quite correct! And they aren't a mirage, either!

All we do is follow the tracks and we're saved!

An hour later ...

Hooray!... More tracks!... A second car joined the first one...

A real stroke of luck hitting this road.

To be precise: we've really had a stroke!

Another hour later...

There!... A third car joined the other two!... We're on a very busy road...

Several hours go by...

Another one!... That makes the seventh.

We're obviously getting near a big town and ... Hey! Stop!... What's that there, ahead of us?

A can of petrol!

A full one too! ...
That's lucky... for us, at
least... Not for the
poor chap who lost it.

I'd better check that
ours is properly fixed:
you can't be too care-
ful.

Goodness gracious!

Us too! We've lost our petrol
can! ... Look, the strap's
broken!

Goodness gracious!

It must be somewhere behind us.
Hurry up and turn round. We must
go back and look for it.

I agree. Petrol is much too
precious to lose.

Off we go... It can't
be far.

An hour later...

Almost a motorway, Snowy!

A busy one, too. Look at the
number of tracks. The marks
are still fresh, too... Hello,
that's odd... These tracks are
all exactly the same...
Could be a convoy of
jeeps... Unless...
Unless what?

Yes, it's only too obvious
... There's just one
vehicle going round and
round in circles, following
his own tracks... The driver
has lost his way, just
like us...

Oh, Snowy! Look! That's even worse!
... It's a sandstorm: The Khamsin!

Ooh! Here it comes! We're right in the middle of it! ... Worst of all, the wind and sand will wipe out all the tracks ...

This awful sand... gets in your eyes... and your mouth... We can't go on! ... Only one thing to do ...

Wait till the storm blows over ...

Ssh! ... I heard something... There it is again... A car engine!

We can't go on like this. We must raise the windscreen and put up the hood ...

OOEE!

Careful! You mustn't let go ...

Don't worry, I'm holding it.

OOEE!

Come on, Snowy!

Hang on tight! ... Don't let it get away!

OOEE!

OOEE!

D'you think they talk?
... Mirages?

Talk?... Mirages?
... What a simple
soul you are! Of
course they don't talk.
Mirages are seen but
not heard!

Then what about those
shouts we heard just now?

The shouts?... I... Good-
ness gracious! You're right:
they weren't a mirage!...
Quick! About turn!

The noise of an
engine again!
They're coming
back!

Found!... Found at last!...
That's marvellous! I'm
absolutely overjoyed...

My dear old
friend Thomson!

... to have my hat back!...
What incredible good
fortune!

Later, the storm
has died down...

Poor Tintin, he
was completely worn
out. Look: he's fast
asleep.

Zzzzz

I wish I were too!

Yes, but this isn't
the moment!

It's very simple: if I sign a contract with Skoil the attacks will cease immediately. So why do I refuse to sign Professor Smith's contract?

Yes, why, I wonder?

It is strange, I do not know why I am telling you all this... You are a stranger... I have no reason, but I trust you. So... Inch' Allah!... I refuse to sign the contract because I do not like Professor Smith and I do not like his Skoil Petroleum.

Oh?

But I have interrupted your story... You were telling how the saboteurs had blown up the pipeline..

They came running back and remounted their horses. I remained hidden behind the rocks... Suddenly...

Master!... Master!... Oh! Master!

What is it?... Who dares to disturb us?

Oh, Master! Master!... Your son!...

Well, Ali Ben Mahmud, what new prank is my little lamb playing this time?

Heaven grant that it is indeed a prank! Master, your son has disappeared!

Ha! ha! ha! ha!... Disappeared!... If you knew my son you would laugh as I do. He's the naughtiest young rascal anyone ever saw!... Every day he thinks up some new little wickedness... But come with me, you'll see for yourself...

He was in the garden, Master...

Yes, yes, Ali Ben Mahmud, calm yourself!

There's the little motor car I gave him last week... on his sixth birthday...

Abdullah!... Abdullah!... Where are you, my treasure?

Abdullah!... Come out now, my little sugar plum!

Abdullah, my baby lamb-kin...

Abdullah!... Abdullah! Where are you hiding?

Abdullah, you little rascal, if you don't come at once Papa will be cross!

Excuse me, Highness, but does your son wear a blue robe?

A blue robe?... Abdullah?... No!... Why do you ask?

Here's a piece of blue cloth I just found, caught on a branch ... Under the tree are some very deep footmarks... Obviously someone was hiding in the tree, and then jumped to the ground...

Perhaps... Yes... But...

There's your son's motor car... It has been shoved to one side, as you can see from the tyre marks...

But I don't understand... What are you trying to say?

I hardly dare tell you, Highness... I fear the worst... Come with me... There will be other clues...

There! I knew it!... More footmarks!...

And here... and there ... And look! Marks on the wall! This is where they must have climbed over...

They?... Who?

The men who kidnapped your son, Highness!

The men who... You're mad!... My son!... Kidnapped?... Why? ... Tell me why anyone should kidnap my son?... You're crazy!... You've made all this up! ... You're lying!... Yes, you're lying, like all infidels!...

Where is Mohammed Ben Kalish Ezab?

Over there, by the wall, with the stranger.

A horseman brought this letter, Master... Then rode away like the wind, out into the desert.

BY ALLAH!

It's unbelievable!... Here, read this letter...

?

Excuse me, Highness ... it is in Arabic...

Oh yes, I will translate for you...

"To Mohammed Ben Kalish Ezab... If you want to see your son again, throw Arabex out of Khemed." It's signed: Bab El Ehr.

Yes, it's what I would expect!

Another of his confounded tricks! ... Now where did he get that?

Well, he's certainly quite unmistakable! ... Now I must start my search, Highness ... Could you fit me out with some different clothes? ... And I'd like some information on Doctor Müll... I mean Professor Smith.

Professor Smith? ... You think he can help you find my son? ...

He's an archaeologist, digging for remains of the ancient civilisations that once flourished in these lands... At the same time he acts as representative for Skoil Petroleum.

Yes, in Wadesdah, my capital ... about twenty miles from here, on the coast. He lives in an enormous palace, perched like an eagle's nest on the top of a cliff.

I see... There's just one more thing...

Take no notice... Just a cap... Abdullah scattered them everywhere ... They lived things up in the palace...

Where was I? ... Oh, yes... The two friends I mentioned... I have a great favour to ask on their behalf: please treat them as your honoured guests. Lavish every comfort upon them; take every possible care of them... But if you want me to find your son, for pity's sake don't allow them out of the palace on any pretext whatsoever.

Next morning, in Wadesdah...

That must be Professor Smith's palace, up there ...

! ATCHOO!

A cold? ... Or sneezing powder? I'd better follow.

Yes, a sudden epidemic

among Professor Smith's
servants...

But come in, come in,
honoured sir... Absolu-
tely no obligation ...
But I'm sure you'll
find a little something
you need once you're
inside my shop ...

To tell the truth, Senhor

you... Do you remember me?

Well... I... I... er... I'm interest-
ed in archaeology...

Ah, like Professor Smith...

Exactly... You seem to know him.
Tell me, what's he like? A pleasant
sort of fellow?

To be honest, no; decidedly
not. He's tough, and cruel,

You see what happens to Nosey Parkers!

There, all tidied up... Hello, a radio. I wonder if I can get any news?

What's the matter? ... Dead?... It doesn't even light up...

Oh, I see. The plug isn't connected.

There, it should work now.

Following today's meeting of foreign ministers a spokesman indicated that there had been a definite easing of tension... An easing too of the outbreak of engine explosions which has bedevilled many countries. The epidemic seems to have ceased as mysteriously as it began.

In a statement, Mr. Peter Barrett, Head of the Fuel Research Division of the Ministry of Transport, told our reporter he had nothing to say, except that his department's investigations were continuing...

Here we are... Ah, you're listening to the news...

Yes. The threat of war seems to be lessening, thank heavens!

Now, what were we talking about?

About Professor Smith. You were saying that he isn't particularly likeable.

That's true... But he's extremely rich, and I'm his main supplier... So you see... My customers include all the top people in the area... At least, not quite all... Not the emir, alas!... What a man!... One of the best!... Which is more than can be said for his nasty little son... A real pest, young Prince Abdullah!... But you won't have heard: he's just been kidnapped!

I did hear of it!

Look here, Senhor Oliveira, would you like to be appointed official supplier to the Emir Ben Kalish Ezab?

Would I like it?... Of course!... It would be the crowning glory of my career... But... what would I have to do?

Help me recover Prince Abdullah... To do that, smuggle me into Professor Smith's house...

Professor Smith... What for?... Well, if you like... It's quite easy... I go there each morning...

The next morning...

Salaam aleikum, Murad!

Aleikum sala... Tchoo!!

Who is the young stranger?

My nephew Alvaro... I want him to meet the palace servants.

My friends, let me introduce my nephew Alvaro, just arrived from Portugal... He's an orphan, poor lad... I've taken him into my family...

ATCHOO!

Just between ourselves he's a little... well... a bit simple... Not surprising after what's happened to him... A dreadful story... Just imagine, his father, who was a well-known snail-farmer... Excuse me, just a minute...

Be a good boy, Alvaro... While I'm busy with the gentlemen, you run and play in the garden... I'll call you...

Yes, Uncle.

But listen carefully, Alvaro... Don't make a noise. Professor Smith is working in his study upstairs. You're not to disturb him...

No, Uncle.

That's fine... He'll keep them safely occupied with one of his endless stories... but I mustn't waste time...

The key's in the door... And the door's locked from the inside!... But there's no-one here... It doesn't make sense...

I'll work that out later... First, let's have a look at the papers on his desk...

What's in this folder?

Hello... A file of newspaper cuttings...

FUEL MYSTERY

What's gone wrong with our petrol?
An outbreak of mysterious automobile explosions is terrorising the world's capitals. Car engines

Now why should Dr. Müller be interested in that petrol mystery? ... I wonder if ...

ATCHOO!

??

Great snakes! The hearth is opening! ... I must hide!

Aaah...

TCHOO!

What's he doing in that corner?... Ah, I see... That's where a secret button for the trapdoor must be hidden.

Aaah... Aaah... TCHOO! ... Aaah... TCHOO! ... Ach, that little pest! ...

Lucky I persuaded him to swap his confounded box of sneezing powder for a pair of roller-skates...

There... I'll burn it in a minute...

Drat! He's starting to write!

Let's hope he won't be long... I'm beginning to get pins and needles...

Whew! Saved again! He's still out cold... Quick, I must tie him up, gag him, hide him somewhere... and telephone to the emir...

Meanwhile, in the kitchen...

...Alas! The poor woman never got over it. She died of grief and shame, at the age of ninety-seven. Her husband, broken-hearted, soon followed her to the grave. But that wasn't the end of the terrible tragedies this unhappy family had to suffer... One day, their son...

There, Doctor Müller... That's taken care of you!

Hello?... Hello?... Is that the royal palace?... I want to speak to His Highness... Tintin... Hello? is that you, Highness?

Tintin?... Yes... Where are you?... With Professor Smith?... What?... My son there?... A prisoner?... What's that you say?... What?... Oh! You sneezed! Bless you!

You must send men to Wadesdah... Have the palace surrounded... Meanwhile, I'll try to rescue the prince...

I can't say I like these toys, but this time I'd better be armed.

Now let's have a closer look at this...

Concrete tunnels! An underground fortress...

What's this?

A bunker...

Crumbs! What a place!... A real Maginot Line!

I could have sworn I heard a sneeze...

Stop!... Hands up... or I'll shoot!...

Don't move, and don't make a sound... or else...

Right!... Now you're going to take me to the emir's son... Get moving, and don't try any funny business!... Understand?

He's in there...

You've got the key? ... Open up...

All right?... Stand away... Face the wall, and keep your hands up...

Quick, Abdullah!... Hurry!... I've come to take you home to your father...

Shan't!... Don't want to go home!... This is a nice game... Let me go!... I hate you!... I won't go!

But...

Later, later...

No! I want one now! I want an icecream! I want an icecream! ... Then I want to go home! ...

I know... I know...

Yes, you're right... I was just going to tell you... As I said, it was really quite simple... but at the same time rather complicated ...

There they are! Another dust-cloud! ... This time it's certainly Müller!

Hee! Hee! My itching powder!

Great snakes! ... Smoke! ... What's happened to them?

Look at their tracks!

lost control of the car...

Blistering barnacles! ... Look at the two Thompsons!

Crumbs! Whatever's happened to them?

I don't know... hic... the heat, per... hic... perhaps... Unless it was the aspirin we... hic... we just took...

A tube we found in the sand... Here

What sort of aspirin?

I don't understand... It seems real enough... But let's take a look at the contents...

Strange... the tablets have the maker's mark, all right... It's extraordinary...

I agree, it's very odd...

Blistering-Barnacles! Blistering-Barnacles! Look at your funny friends now!...

Captain! Captain! ... How awful!

Er... I... hic... feel rather peculiar!

Er... to be pre... hic... Me too!

Do it again, thundering barnacles!

We must get help for them at once... You take the car and return Abdullah to his father... I'll drive the jeep, with Müller and the Thompsons...

Hic...

Right!

I'll make you rich for life if you destroy those aspirins, instead of analysing them...

So! The tube belongs to you... What's in the tablets?

Why worry?... Destroy them and your fortune's made!

No thank you, Doctor Müller... I'm not interested.

At Wadesdah Hospital, two hours later...

Doctor, doctor! Come quickly! Two extraordinary cases!...

There...

!?

Blistering barnacles! Look at that!

My house, by thunder! What's that nitwitted ninepin done to my beautiful house?!

Let's read on: he's sure to explain ...

... The research was exceedingly difficult. I enclose a photograph of Marlinspike after my first experiments ...

His first?... Did he do some more?!!

... Anyway, they were successful: that's all that matters. As for the phenomena in the capillary systems of the Thompsons, these will soon cease with the aid of the powders I have prepared and sent to you separately. The other substance I have sent is for use with petrol, and will entirely neutralize the effects of the compound Formula Fourteen...

Some weeks later...

"Each day of the Müller trial brings startling new disclosures. Today the whole mystery of the exploding car engines was revealed. It is now known that a major foreign power had developed a new chemical, known simply as Formula Fourteen. This chemical, added to petrol, increased its explosive qualities tenfold..."

"In the event of war, the agents of this foreign power could easily contaminate the oil reserves of the other side. The recent outbreak of car explosions was by way of a trial, on a reduced scale, of this new tactic. Thanks to the work of the famous boy reporter, Tintin, the secret of Formula Fourteen has been discovered..."

"...An effective antidote has immediately been developed by his distinguished colleague, Professor Cuthbert Calculus, to neutralize the effects of the chemical. By his prompt action, Tintin has undoubtedly prevented the outbreak of war. Better news too of the detectives Thomson and Thompson who inadvertently swallowed some Formula Fourteen. They are now out of danger, and well on the way to recovery."

What about that? We had a narrow escape, eh?... If it hadn't been for the Thompsons, we'd be at war!... You know, Captain, you still haven't told us how you came to be mixed up in this business...

Oh, yes... Well, I... thank you, Highness...

Well... Pff... It's like this... Pff... I think I told you... Pff... it's quite simple really... Pff... and at the same time rather complicated...

Would you believe it... Pff... I... Pfff...

Another of Abdullah's little tricks! ... And he promised me he'd be good! ... Ah, what adorable little ways he has!

Adorable!... Adorable!... I'll say he is!! ... Well, if you want to hear my story, it won't be from me!... Blistering barnacles, as far as I'm concerned, this is the end!
